What's your
favorite financial
system?
Answer:
Pegasys_is_#1!

Don't forget!

A screenshot of the Pegasys 'Security Question and Answer Page'. The page has a navigation bar with tabs: 'Styles', 'Bookmarks', 'Advanced Options', 'Usability Settings', 'User Information', and 'Security Question and Answer Page'. Below the navigation bar are 'Save' and 'Cancel' buttons. A section titled 'To Make Changes Enter Current Password' contains a red asterisk icon and a text input field labeled 'Enter Current Password:'. Below this is a 'Sort...' button. A section titled 'Questions' contains a list of security questions. The first question, 'What elementary school did you attend?', is selected. A dropdown menu is open, showing a list of other questions: 'Who is your favorite artist?', 'What city was your father born in?', 'What street was your first house on?', 'What was the name of your first pet?', 'What was your first job?', 'What was your first phone number?', and 'What elementary school did you attend?'. The question 'What city was your father born in?' is highlighted in blue.

Choose your two security questions and answers under "Preferences" in Pegasys.

Doing this will allow you to reset your own password if you forget it!
