

Pegasys Tips

There are enough
acronyms to
remember – let
Pegasys help you
out with a few!

Forget the name or meaning of a Pegasys document?

Click on the **Reference** drop-down menu, choose **Document** and then click on **Document Types**.

Enter a document code name, and click **Search** to get the full title. Enter a document name (with wild card * -- ex: *receipt*), and click **Search** to get the description.
